I. Read list of incomplete works of previous year requiring appropriation for their completion during the current year.

Resolution.—A large number of works sanctioned in connection with distress remained incomplete at the close of the year, and in view of their importance and the large outlay incurred thereon, the same have to be pushed on to completion in preference to the budgetted works of the current year. But as the amount of Rs. 2,250 sanctioned for incomplete works in the current year's budget is hardly sufficient to meet the said charges, an additional sum of nearly Rs. 5,000 has to be appropriated from the provision of Rs. 10,048 made for new works under B I and B II, due consideration being given for the execution of only the most urgently needed of the budgetted works out of the remaining amount of the total grant.

Resolved nem con that the list as now revised be approved and submitted to Government for sanction.

II. Read letter No. 10214—Agri. 54-08-18, dated 2nd June 1909, from the Secretary to Government, calling for the views of the District Board regarding the distribution of the special grant of Rs. 5,000 sanctioned in February 1909, for the collection of metal and gravel on certain Provincial and District Fund roads in view to afford employment to the local population.

Resolution.—Rupees 75 and Rs. 50 have been provided in the current year's District Fund and Municipal budgets, respectively, towards veterinary charges. As the Chitaldrug Municipality is not in a position to bear any additional charge as required by the Revenue Commissioner, the extra amount of Rs. 125 now proposed may be met from District Funds, necessary re-appropriation therefor being effected out of the sanctioned grant of Rs. 8,032 under C.
